The units are bright and large with 9 foot ceilings and amazing heritage details rarely found. Each unit includes brand new Frigidaire stainless steel appliances including a dishwasher and gas range, beautiful refinished dark chocolate original edge grain fir floors, marble tile back splash, Italian porcelain tiles, new kitchen cupboards and granite countertops, crown molding and baseboards and refinished claw foot bathtubs. In addition, all the plumbing and electrical has been redone to offer peace of mind living. We are in the process of completely renovating this beautiful, 100 year old heritage building. It is well located in the heart of downtown Vancouver, only minutes to Sunset Beach, great restaurants, Davie and Robson Street and every variety of shopping. 3 bedrooms starting at \$2,400 per month available October 15th (possibly sooner if BC Hydro cooperates). We also have 2 bedrooms available.
